President's Message

Summer has come and as we hope to escape heat and hurricanes, I have to thank the new Board for choosing me to serve another year as your president. And I thank all of you who make our Fellowship the wonderful place it is.

Having a safe place to explore beliefs and express opinions safely is a wonderful gift we give each other.

We arrive out of many singular rooms,
walking over the branching streets We come to be
assured that our brothers and sisters surround us
The warmth of their hands assures us, and the
gladness of our spoken names This is the reason
of cities, of homes, of assemblies in the houses of
fellowship.
