## FREE CLINIC WISH LIST

Since the hurricane, the Free Clinic has been swamped with people who need help. Here are some of the things they are asking for: Toiletries, over the counter medications and supplies, non-perishable foods, office supplies, pet food, socks, underwear, used seasonal clothing, bed linens. There is an urgent need right now for personal care products. And, of course, money.

## President’s Message

A few months ago the Fellowship board asked Jim Deveney to suggest ways to improve our lighting. The old fluorescents were ugly and unreliable. And look what we have now! They are being replaced by LED tubes. They don’t flicker, they last longer, and use less power. We can feel virtuous while we save money and feel more comfortable. Thank Jim for leading us on a path toward the light.

And to avoid getting a crick in your neck admiring the new lighting, look down at the floor and admire the new carpet and vinyl which were installed last week.

If you have any suggestions for other improvements let me know.

Margaret Evans

There will be a Pot Luck Supper at Margaret Evans’ on Saturday, November 25th at 630 pm.

Sign up sheet at the Fellowship.
