We all should know that diversity makes for a rich tapestry, and we must understand that all the threads of the tapestry are equal in value no matter what their color.

President’s Message

Spring has sprung and Summer has come. We might even get our first tropical depression soon. Excitement is in the air. Maybe it’s just the humidity and thunder, but change is upon us.

June is the month of our Fellowship Annual Meeting. June 10th is the day we elect board members and approve a budget for the coming year. Be sure to stay after the service, get a free lunch, and exercise your power to ensure that our Fellowship’s democratic rule isn’t hijacked by the forces of evil.

Remember to bring items for the Free Clinic. There is a list in the hall of items that they need. Over the counter medications and personal items are always needed.
