This week we took three boxes of donations to the Free Clinic. We had to wait to unload them because there was a big truck there delivering fruits and vegetables. The Free Clinic has grown in just a few years from the dream of one woman to a large and thriving organization occupying many buildings and providing many services to the people in our community who need help.

The Free Clinic a truly worthy cause, one that we should be proud to support.

Russell Baker

Alejandro G. Inarritu
