

## UUUF

Please return your Guest at your Table boxes to the Fellowship by January 31st. The UU Service Committee does many good works and this collection is one of the ways we can help.

## UUUF

Join us for breakfast at 9 a.m. on Wednesdays at Kissin' Cuzzins, 34th St. and 10th Ave. N.

No scents makes sense - remember, we have several people at the Fellowship who are very allergic to perfume.

Please silence your cell phones during the service!

Remember to bring in items for the Free Clinic. Diapers, personal items, soap, pet food; there are many areas where we can help! The Clinic is no longer accepting donations of used clothing.

The human mind treats a new idea the same way the body treats a strange protein; it rejects it.

## UUUF

We must learn to honor excellence in every socially accepted human activity, however humble the activity, and to scorn shoddiness, however exalted the activity. An excellent plumber is infinitely more admirable than an incompetent philosopher. The society that scorns excellence in plumbing because plumbing is a humble activity and tolerates shoddiness in philosophy because it is an exalted activity will have neither good plumbing nor good philosophy. Neither its pipes nor its theories will hold water.

*John W. Gardner*

If you are neutral in situations of injustice, you have chosen the side of the oppressor. If an elephant has its foot on the tail of a mouse and you say that you are neutral, the mouse will not appreciate your neutrality.
