H. sapiens is the species that invents symbols in which to invest passion and authority, then forgets that symbols are inventions.

Joyce Carol Oates

If slaughterhouses had glass walls, everyone would be a vegetarian.

Paul McCartney

Having been unable to strengthen justice, we have justified strength.

Blaise Pascal

President’s Message

I’m only three days past the newsletter deadline for my first President’s Message in 2020. Fran hasn’t even mentioned it to me. That must be a side effect of the corona virus.

The real change the virus pandemic has brought the Fellowship is learning how to continue our services and friendships without breathing on each other. Until it feels safe enough and we’re told the pandemic is over, we will be having our Sunday programs on Zoom. The meeting name and password will be provided and we can join with a smart phone, dumb phone, computer, tablet or other electronic device. A committee has been formed to work out details of how we will handle our Zoom meetings. One of the questions for the committee is whether we want to have Zoom gatherings at other times during the week. If you have any suggestions contact Adrian, Loren, Brian, or me and let us know what you’d like.

And now that I’m president again, I want to thank Brian Burke for all the help he has given us and his patience teaching us how to use Zoom. And I thank Adrian Vynner-Brooks for volunteering to chair the committee to keep us on track with Zoom.

And an extra special huge thank you to Donna Terrence for her two years as President of the Fellowship and to Adrian for volunteering to be SECRETARY! He will be a great addition to our monthly board meetings. The other officers are Vice President – Charles Harshbarger, Treasurer – Frances Harper, and Jeff Harper continues as Program Committee chair.
