Religious freedom should work two ways: we should be free to practice the religion of our choice, but we must also be free from having someone else's religion practiced on us.

President's Message

The Proposed Budget that you will be voting on at our annual meeting on June 13th is pretty fanciful. Our income is much lower than we projected before we had to stop meeting in person. We have been able to pay all our bills and anticipate no problem paying for the equipment we need to keep virtual visitors when we begin meeting in person again. But, we will certainly have a deficit again in the coming fiscal year. We are fortunate to have sufficient reserves to weather this storm and I know it is the generosity of the members over the years which makes it possible.

So look at this at this peculiar proposed budget and see it as an expression of hope and a determination to thrive.

Margaret Evans

At this point, we have \$9722.00 in pledges for 2021 -2022. Please let me know what your pledge will be for the next fiscal year. You can email me at franjeffharper@earthlink.net. our projected budget is based on \$14,000 for the next fiscal period - let's try to get there!
