Margaret Evans has been taking donations to the Free Clinic and will be glad to take more when they are collected. Canned goods and personal items (deodorant, toothpaste, diapers, etc.) are badly needed. Or you can send a check made out to the Fellowship and we'll make sure that the Free Clinic gets the money.

President's Message

Often when I read a news report of crazy things people have done, I exclaim to myself, "Why would anyone do that?" I don't expect anyone to answer. I don't have any answer to give myself either.

With a simple solution to the COVID plague (vaccination), people search out strange and dangerous alternatives (bleach, horse worming treatment, etc).

And why would anyone want to endanger school children to score political points?

"Why would anyone do that?"

Margaret Evans

When the last tree is cut, the last fish is caught, and the last river is polluted; when to breathe the air is sickening, you will realize, too late, that wealth is not in bank accounts and that you can't eat money.
