Margaret Evans is collecting for the Free Clinic. Items can be dropped off at her house, or she will pick them up from you. Thanksgiving is this month so canned food items will be especially welcomed. If you would rather, you can make out a check to the Fellowship and the money will be forwarded to the Clinic.

Since when do we have to agree with people to defend them from injustice?

## President's Message

Before our meetings were all on Zoom we used to have a discussion before the program moderated by a member of the Fellowship who gets to choose the opening topic. The Program Committee has decided that it's time to return to that Sunday schedule, so beginning November 7th we will use our first half hour in a more orderly way. We will open the Zoom room at 10:15 so there will be time to check your picture and connection before the discussion begins. I'm looking forward to having our discussion time again!

No business which depends for existence on paying less than living wages to its workers has any right to continue in this country ... and by living wages I mean more than a bare subsistence level -- I mean the wages of decent living.

*Franklin D. Roosevelt*

In our age there is no such thing as "keeping out of politics." All issues are political issues, and politics itself is a mass of lies, evasions, folly, hatred, and schizophrenia.
