### UUUF

To blame the poor for subsisting on welfare has no justice unless we are also willing to judge every rich member of society by how productive he or she is. Taken individual by individual, it is likely that there's more idleness and abuse of government favors among the economically privileged than among the ranks of the disadvantaged.

## President's Message

Here we are in a New Year which will bring changes to our Fellowship. The building we've rented has been sold and we have agreed to be out by the end of the month. Please join a CONGREGATIONAL MEETING after the regular program on January 9th to make plans to deal with our homelessness in the midst of the ongoing pandemic. Join in to share your ideas and opinions.

We will have the building open on Tuesday at 11:00 for you to come by and pick up any art work, mugs, puzzles, or other items lent to the Fellowship in the past 20 years. Or just drop in to say hi, since I'll be there, too.
